Dear Sir:

**REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT  
INDICATED IN NOTICE OF ALLOWANCE UNDER RULES 1.702(a)(2) AND 1.705(b)**

This Request For Reconsideration Of Patent Term Adjustment (PTA) pursuant to 37 CFR §1.702(a)(2) and §1.705(b) is responsive to the Notice Of Allowance And Fee(s) Due and the Determination Of Patent Term Adjustment Under 35 U.S.C. 154(b) mailed December 29, 2003, a copy of which is attached hereto as Exhibit A.

This Request is timely filed because it is being filed concurrently with the payment of the issue fee.

**(1) Fee**

The fee set forth in §1.18(e) as required by §1.705(b)(1) is enclosed.

**(2) Statement of Facts**

A copy of the Patent Term Adjustment Report (PTA Report) from PAIR is attached

**Serial No. 09/699,523**

hereto as Exhibit B. This document indicates a USPTO delay of 12 days. It also indicates an Applicant delay of 109 days. The Applicant delay of 109 days is respectfully traversed.

The PTA Report erroneously states that the response to the non-final action of 03-28-2003 was not filed until 10-15-2003. This is not correct. The response was actually faxed to and received by the USPTO on April 9, 2003. A copy of the fax cover sheet transmission report and the subsequent Auto-Reply from the USPTO is attached hereto as Exhibit C. Even though the response was timely filed, it never was matched with the application file at the USPTO and provided to the Examiner. The undersigned's secretary left a message for the Examiner in early October to determine the status of the application. The Examiner returned the call on October 10, 2003 and informed the secretary that he had not received the response. The secretary promptly faxed the documents to the Examiner, as shown by the fax cover sheet transmission report attached hereto as Exhibit D. The Examiner responded to the response on December 29, 2003 by issuing a Notice of Allowance.

Pursuant to §1.702(a)(2), due to a USPTO error, the Examiner did not respond to a reply under 35 U.S.C. 132 within four months after the date on which the reply was filed. As indicated above, a Response To Office Action mailed March 28, 2003 was filed via fax on April 9, 2003. The USPTO was allowed four months from the date of filing the Response To Office Action to respond, i.e., August 9, 2003. Since the Examiner did not respond until December 29, 2003, the Applicant is entitled to a patent term adjustment of 154 days, as shown by the following calculation:

USPTO Delay in mailing Restriction Requirement (See Exhibit B): 12 days  
USPTO Delay in Responding to Response filed April 9, 2003:

August	22 days
September	30 days
October	31 days
November	30 days
December 1 – December 29	29 days
 TOTAL	 154 days

The patent is not subject to a terminal disclaimer.

**Serial No. 09/699,523**  
**Request For Reconsideration Of PTA**  
**Page 2**  
190846v2

There were no circumstances during the prosecution of the application that constitute a failure to engage in reasonable efforts to conclude the processing or examination of the application as set forth in §1.704.

**(3) Alternative Basis for Reconsideration**

If the Director determines that this Request should be a request for reinstatement of all or part of a period of adjustment reduced pursuant to §1.704(b) for failing to reply to a rejection within three months of the date of mailing of the Office communication, then the above facts represent a showing that, in spite of due care, the Applicant was unable to reply to the rejection within three months. In that case, the Commissioner is authorized to charge the fee under §1.18(f) to Deposit Account No. 50-1848. However, the enclosed exhibits clearly show that Applicant did, in fact, respond to the Office Action of March 28, 2003 well before the required due date of June 28, 2003. By filing the response on April 9, 2003, which is only 12 days after the mailing of the Office Action, Applicant was, in fact, doing everything in its power to accelerate the prosecution of this application.

**(4) Conclusion**

The facts shown by the enclosed exhibits, as well as the early filing of this Request and the Issue Fee, indicate that the Applicant not only has been timely in its responses, but has been and is doing everything possible to accelerate the prosecution of this patent application. For the above reasons, the reconsideration of the patent term adjustment determination and granting of a PTA of 154 days is respectfully requested. The small entity fee set forth in §1.18(e) required by §1.705(b)(1) is enclosed. If any additional fee is required, please charge it to Deposit Account No. 50-1848.

Respectfully submitted,
